Chalet Flocon de Neige is a beautiful property tucked away in the woods just outside of Argentière. Just five minutes away from Grands Montets and Le Tour by car, the chalet offers great accommodation minutes away from the action! The Chalet has seven bedrooms, 5 bathrooms and sleeps up to 14. In the basement there is a games room, kitted out with television and wii. Thus, creating the ideal space to chill for young and old alike.

The Old Library in Argentiere has been tastefully renovated and sits in the heart of Argentiere village. It has been restored and decorated to a high standard & enjoys stunning views over to the Grands Montets and the Argentiere glacier. The apartment is over 2 floors, with a large double bedroom & bathroom with a whirlpool bath on the main floor. Two further bedrooms are on the top floor with an additional shower room on this floor. Sleeps 6
